

Accident Check List

1. Keep calm.
2. Switch off the engine.
3. Turn on your hazard lights.
4. Remove all debris from the road.
5. Render assistance to others and check for injuries. Do not move any injured person unless it is absolutely necessary. If appropriate, call or have someone call 000 for an ambulance and police.
6. Do not discuss the accident with anyone other than the police and your insurance company/agent.
7. Co-operate with the police if present. Provide your name and address, the vehicle owner's name and address and the vehicle's registration number to the other parties involved and any police present.
